PROFILE

Combining my love for gaming with my IT education, I aspire to become an elite Valorant player while paving the way towards a career in Cybersecurity. The strategic thinking and quick decision-making demanded by Valorant perfectly align with the skills needed in the field of cybersecurity.

EXPERIENCE

- 2022 - PRESENT**
NU FERVENT
ESPORTS INFERNO
SENTINEL/INITIATOR
Our team has encountered numerous challenges, experiencing both highs and lows; however, we consistently persevere, demonstrating resilience and determination to rise above adversities and achieve the coveted gold.
- 2021 - 2022**
MRC ESPORTS
SENTINEL/IGL
Made good memories with teammates but didn't quite win any tournaments together.
- 2020 - 2022**
GUIDOTTI ESPORTS
DUELIST/INITIATOR
One of the best teams I have been apart of consisting many long time friends unfortunately disbanded due to academics.
